

Simplifying & Connecting Families to ASD Resources

Diagnostic Providers

Prior to receiving ABA therapy services with Midwest Autism & Therapy Centers, or other services related to ASD, most insurance carriers and providers require an ASD diagnosis from an accredited provider. Use this list as a reference for providers in your area who may be able to help provide an evaluation or comprehensive assessment.

As You Are - Telehealth

As You Are equips parents with the knowledge and resources they need to help their children flourish. Their team of physicians will help you understand if the behaviors you're seeing are part of an Autism or other diagnosis. Bring your whole self, your whole family, as you are.
