

# Diagnostic Providers

Prior to receiving ABA therapy services with Midwest Autism & Therapy Centers, or other services related to ASD, most insurance carriers and providers require an ASD diagnosis from an accredited provider. Use this list as a reference for providers in your area who may be able to help provide an evaluation or comprehensive assessment.

## Simplifying & Connecting Families to ASD Resources

### As You Are - Telehealth

At As You Are, we equip parents with the knowledge and resources they need to help their children flourish. Bring your whole self. Bring your whole family. As You Are. Our team of physicians will help you understand if the behaviors you're seeing can be best explained by autism or another diagnosis.
